

3i-R

THE DENTAL OFFICE CHOICE

The Pure Water Technology™ 2-in-1 bottleless water appliance dispenses purified drinking water & laboratory-grade DI water for all of your dental office needs.

Purified Drinking Water For Your Practice

- Provide your patients & staff with fresh, pure, oxygenated water.
- Continuous supply of cold and hot water options.

Deionized Water For Autoclaves & Dental Chairs

- Convenient DI water filter connected directly to your filling station.
- Perfect for all your dental equipment, including autoclaves, operatory instruments, rinsing stations and more.

Health & Safety for Your Office Staff & Patients

- Our CleanContact™ surfaces contain anti-microbial components in the user touchpad and surrounding surfaces inhibiting the spread of germs in your office.
- Touchless-dispense options allow for touch-free fill-ups.

Time, Space & Cost-Savings

- Increased staff productivity with easy and quick filling station.
- Save on overhead costs when purified drinking water and DI water stem from the same source
- No storage or lifting of 42 lb. bottles.
