THE FIT CHOICE

Fitness centers across America are keeping clients hydrated, healthy & happy with the Pure Water Technology™ point-of-use purification system.

Freshness You Can Taste™ Purified Drinking Water

- Provide your customers with fresh, pure, oxygenated water.
- Continuous supply of cold and hot options – satisfying all your customer needs.

Revive Your Clients After a Hard Workout

- Our Activated Oxygen Injection increases oxygen levels in the water immediately following the injection process – keeping your clients refreshed and revitalized after a hard workout.
- Large and illuminated dispense area fits sports bottles which keeps your fitness center spill-free.

Ensure Health and Safety for Your Gym Clients

- Featuring CleanContact™ – anti-microbial touchpad and surrounding surfaces to protect your clients from cross-contamination of germs in your fitness center.
- Ergonomic design and large dispense area prevents germ contamination of the dispense nozzle.
- Touchless-dispense options allow for touch-free fill-ups.
