THE EDUCATION CHOICE

Schools across America are keeping students and staff hydrated, healthy & happy with the Pure Water Technology point-of-use purification system.

Freshness You Can Taste™ Purified Drinking Water

- Provide your students & staff with fresh, pure, oxygenated water.
- Continuous supply of cold and hot options – satisfying all your customer needs.
- Hot-dispense safety technology reduces accidental spills.

Hydration is Good for the Brain

- Enhanced alkalinity and nutrient boost from added minerals keeps your students and staff refreshed, revitalized & ready for class.
- Extra-tall dispense area fits most travel bottles which keeps your school spill-free & plastic-free.

Ensure Health and Safety for Students & Staff

- Featuring CleanContact™ – anti-microbial touchpad and surrounding surfaces to protect your clients from cross-contamination of germs in your school.
- Touchless-dispense options allow for touch-free fill-ups.
