WHAT IS CHEWBLET® ICE?

IT'S A FUN, CHEWABLE, ICE NUGGET THAT'S A HANDS-DOWN FAVORITE! A LOW-COST AMENITY THAT SUPPORTS EMPLOYEE HYDRATION AND WORKPLACE SATISFACTION.

THE PURE i1200 SERIES ICE MAKERS

Only 16.12" wide, the i1200 Series has the industry's most compact footprint for a 425 lb per day ice maker and offers 12 lbs of ice storage. i1200 Series machines are available as, either countertop, or freestanding models.

EVERY DRINK TASTES BETTER WITH CHEWBLET® ICE

GUARANTEED SERVICE

The Pure Water Technology service guarantee means you'll always have ice and you won't have to service or clean your ice dispenser. **WE DO IT ALL FOR YOU!**

REVERSE OSMOSIS PURIFICATION

Ice made from the purest RO filtered water, that removes dissolved solids like Lead, Mercury and Arsenic.

AGION® ANTIMICROBIAL

Key components are protected with a silver-based antimicrobial coating that inhibits growth of microbes and reduces contamination.

SUSTAINABILITY

i1200 Series uses up to 20% less electricity and up to 40% less water to produce ice than traditional cube-type ice machines.

ENERGY EFFICIENT

Meets the Consortium for Energy Efficiency (CEE) Tier 2 specifications for highly efficient ice machines.

TALL DISPENSE HEIGHT

Accommodates water bottles and large cups without touching the dispense nozzle; more sanitary than using an ice scoop!

QUIET & POWERFUL

Sleep mode feature reduces ice machine cycling and energy consumption during off hours. Produces up to 425 lbs of Chewblet® ice daily.

PURE i1200 SERIES

CHEW ON THIS

Our ice is made from the purest Reverse Osmosis filtered water; ideal for healthcare practices, break rooms, manufacturing facilities, dialysis centers, retail stores and hotels; anywhere a refreshing ice-cold drink would bring satisfying hydration.
